The **Elemental Plane of Earth** exists in a separate dimension than the World. It was created in the year 848,881,906 BR after The Battle of The Sublime Digger when the Prime Protas 'The Source' defeats and banishes Takarneph, The Sublime Digger That Reigns, using an echo of the Great Old One's power to create the element of Earth, he formed the Plane of Earth to regulate the Chaos of Earth throughout the multiverses, then creating the Earth Primordial, Lythos to oversee its regulation, and governance. This is the dimension from which all earth chaos flows.
